RESPONSE TO WRITTEN RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

December 7, 2005

Commissioner:

In the Office Action mailed 09/07/2005 the Examiner stated that Applicant had set forth claims that contained patentably distinct species. In response to the written restriction requirement of 09/07/2005 and pursuant to the telephone conversation with the Examiner on November 7, 2005, Applicant hereby elects the patentably distinct species letter I with respect to Figure 9B.

In accordance with the second portion of the restriction requirement Applicant further elects the single subspecies (a) drawn to Figure 14.

However, during a phone conversation with the Examiner on November 7, 2005, the Examiner agreed with the Applicant in that Figures 9 through 9C all represented one species. Therefore, the Applicant, in accordance with Examiner's acknowledgement of this fact, would like to elect species G, H, I and J with respect to Figures 9, 9A, 9B and 9C as set out by the Examiner during the phone interview on November 7, 2005.

Claim 1 is an original claim and has not been amended by the Applicant. As noted by the Examiner, this is a generic claim. If Claim 1 is found allowable at the end of the Examination process, then all the Claims, including non-elected claims, should also be found allowable due to the fact that the Examiner stated that Claim 1 is generic.

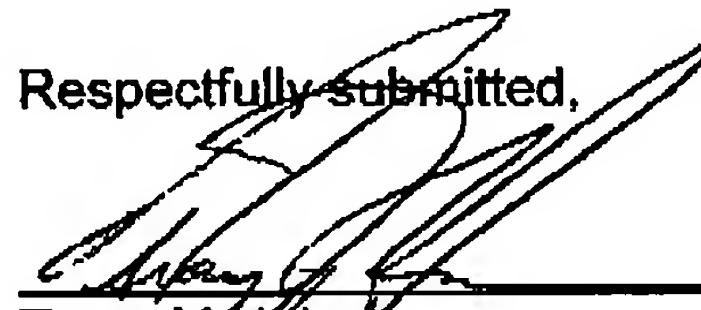

The Examiner further request the listing of the Claims readable on the election. The Applicant believes that the species G (FIG. 9) represents Claims 1, 3, 5, 13 and 17; the species H (FIG. 9A) represents Claims 1, 3, and 15; the species I (FIG. 9B)

represents Claims 1, 3, and 16; and the species I (FIG. 9C) represents Claims 1, 3 and 24.

The Applicant believes that this communication is intended to be fully responsive to the outstanding Office Action and fully complies with Examiner's restriction requirement and now places the application in condition for allowance. No new matter has been added.

Please charge any fee deficiency or credit any overpayment with respect to this paper and or this application to Apex Juris Deposit Account No. 50-2089. Should Examiner believe further discussion regarding the above claimed language would expedite prosecution they are invited to contact the undersigned at the number listed below.

Respectfully submitted,
